Missouri Articulation Agreement Guidelines

Construction/Carpentry/Building Trades

Students who complete the qualifications below will receive articulated credit to the Missouri two-year postsecondary institution of their choice in the Construction/Carpentry/Building Trades area. Student must:

- Achieve a minimum 3.0 GPA (4.0="A") in the secondary Construction/Carpentry/Building Trades area.
- Complete coursework in an Associated General Contractors (AGC) of America **or** National Center for Construction Education and Research (NCCER) accredited program.
- Score at a level six or higher on the Applied Mathematics WorkKeys assessment **or** achieve a score of 65% or higher on the National Occupational Competency Testing Institute (NOCTI) examination(s) administered by the secondary school's assessment center or postsecondary institution.

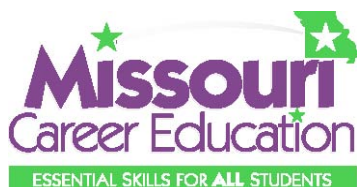

Upon meeting the respective postsecondary institution's admission requirements, the student will receive minimum college credits as listed below. Postsecondary institutions may (but are not required to) limit credits awarded to those areas related to comparable courses.

- Construction/Carpentry/Building Trades/Construction Management (12 hours)

Dates of credit awarded will be determined by the postsecondary institution. Additional credit may be transcribed at the discretion of the postsecondary institution.

The articulation agreement is valid for up to two years for any student who completes the requirements identified above.

The articulation agreement will be reviewed annually and revised as needed by the Construction/Carpentry/Building Trades Articulation Advisory Committee.
